

Please bring this worksheet with you on the day of the workshop.

Identify an Educational Problem/Gap/Area of Interest

1. What is an area of concern in your educational/clinical setting?

2. Why is this topic important to study (justification)?

– Will the study fill a gap in the literature?

– Will the study extend past research or examine the topic more thoroughly?

3. What is the educational research problem for this study?

4. Who will read and benefit from the potential publication?

5. How will the study inform practice?
